### **-Product Specification-**

Product:	Polygalacturonic acid
Code No:	BIB6263
CAS No:	25990-10-7
Batch No:	AS448992
Appearance:	Slightly brown crystalline powder
Solubility:	Insoluble in water and ethanol
Loss on drying:	5% (105°C)
NaOH Titration:	89.2% (on dry matter)
pH:	3.3 (1% suspension in water at 20°C, after 1 hour)
Sulphated ash:	0.9%
Heavy metals as Pb:	<40mg/kg

Verified by: David Parton

Date: 22<sup>nd</sup> September 2014
